

Alexandria Gazette

WEDNESDAY EVENING, DEC. 26.

An Explanation from Canon Farrar.

Sir—Since many complete misrepresentations of the language and purport of a sermon, which I recently preached in Westminster Abbey, have found their way to public notice, I am reluctantly compelled to trespass upon your courtesy. I will, however, confine myself to the correction of one erroneous statement. To say, as these reports have done, that I "denounced the doctrine of eternal punishment," or expressed a hope that the word eternal might not appear in the revised translation, is, as most of your readers will have seen at a glance, utter nonsense. The object of my sermon was to prove that the word eternal did not necessarily connote endlessness; and at the same time to vindicate that faith in the possible effects of Christ's infinite redemption even beyond the grave, which seems to be most expressly stated in the text from which I preached (1 Pet., iv. 6). Neither the Anglican, nor even, I believe, the Roman Church, has dogmatically decided against the permissibility of such a hope; and, as known to all students of Church history, it has been widely held in different ages, both by very eminent fathers and theologians, and by some of the holiest of the saints of God.

"GERMAN SYRUP."—No other medicine in the world was ever given such a test of its curative qualities as BOSCHER'S GERMAN SYRUP. In three years two million four hundred thousand small bottles of this medicine was distributed free of charge by druggists in this country to those afflicted with Consumption, Asthma, Croup, severe Coughs, Pneumonia and other diseases of the throat and lungs, giving the American people undeniable proof that GERMAN SYRUP will cure them. The result has been that Druggists in every town and village in the United States are recommending it to their customers. Go to your Druggist and ask what they know about it. Sample bottles 10 cts. Regular size 75 cts. Three doses will relieve any case.
